Richard Jones, in a deposition dated in 1694, stated he was 22 years old. Isle of Wight Deed Bk. 1, p. 113.

March 9, 1693.

Richard Jones having commenced his suit against William Smith and Anne his wife, the relict of John Downs dead, deft. declares that the deft. detains from the Plt., a feather bed which doth properly belong to the Plt's wife, for which ye plt. prays judgment, with costs to which the deft. by Capt. William Archer his attorney appears and for answer do affirm that this account is not rightly brought before the court because ye word, "relict" entitles no woman to ye possessions offher husband's estate, nor can she lawfully sue or be sued unless qualified as an Executrix or Administratrix, neither of which qualifications mentioned in this account; to which ye Plt. by Mr. Charles Chapman his Attorney replies, that the account is well laid and it being the opinion of the court the same is well laid, the deft. do thereupon appeal to the second day of the next General Court, entering John Davis security for prosecution thereof and Arthur Jones offers himself as security, that the appellee shall answer this appeal as ye law directs. Deed Bk. 1, rev. p.

(This would seem to indicate that Richard Jones married a daughter of John Downs. So far, I have been unable to find a single reference to him in the Isle of Wight records. He was probably from Nansemond. This throws an interesting light on the conditions under which our forbears lived, that a feather bed should be important enough to go to Court about. These beds were the luxuries of their time and invariably the favorite child was left the "best feather bed", B. A. C.)

Richard Jones evidently had a brother and sister for in 1694, the ages of Arthur Jones, Richard Jones and Sarah Jones' slaves were adjudged at the same court. Deed Bk. 1, p. 35. rev.

Arthur Jones Jr. in 1714 sells land adjoining Richard Jones and Francis Wrenn. Deed Bk. 2, p. 271.

Richard Jones was a witness on the will of Susanna Jones, the wife of Arthur Jones dated in 1691. W. & D. Bk. 2, p. 565.

The Quit Rent Rolls of 1704, show that Arthur Jones owned 900 A. Richard Jones owned 250 A.; Edward Jones owned 250 A.; Thomas Jones owned 700 A.; Ann Jones owned 100 A.; Abraham Jones owned 100 A.; John Jones owned 200 A.

Documentary proof is lacking, but the dates and names fit, so

rest of my worldly goods I leave ye use thereof to my loving wife during her widowhood and therefore I appoint her my full and whole executrix to pay my debts and to receive what is owing to me my debts being paid she shall have the use of what I leave within towers and without during the time of her widowhood and then what is left shall be equally divided between Martha, Elizabeth, Sarah, Christian and Mary. And I desire you my trusty friends William Bell and Thomas Harris to see this my last will and testament fulfilled so I rest as witness my hand and seal.

At a court held for Isle of Wight County the 22nd day of July 1721 the last will and testament of Richard Jones was presented in court by Elizabeth Jones his widow and executrix who made oath thereto and being proved by the oath of William Gainer and Arthur Davis two of the witnesses is admitted to record

that it seems reasonable to suppose Richard who died in 1721, to be the son of the earlier Richard. Not a single transaction can be found in the records to show that he ever bought any land, but he owned 250 A., and it adjoined Francis Wrenn, the man with whom the earlier Richard had been identified. Since the name Arthur appears in the line it is also possible that the first Richard was the son of an earlier Arthur who was named as a headright in 1664 by William Miles and William Cooke Sr., with a Margaret Jones who could have been his wife, two Arthur Jones are listed in this patent. A descendant of William Cooke, Thomas Cooke married Mary the daughter of Arthur Smith (Richard's brother) in 1702/3. Thomas Harris, who was an Executor of the will of Richard Jones 1721, witnessed this deed. Wight Deed Bk. 1, p. 383. This showing that the these people were closely associated over a long span of years, making the deductions seem reasonable in spite of the lack of records to support them. No will or administration has been found of either the first Arthur Jones, Richard the first or his brother Arthur although, Susanna Jones the wife of Arthur left a will, dated in 1691, but not probated until 1713. Arthur Jones Jr. left a will in Surrey County.

Richard Jones the first witnessed the will of Robert Pitt in 1672. Isle of Wight Will and Deed Bk 2, p. 128.

Walter states in his will that among others he had 1000 A. to Richard Jones in 1683. W. & D. Bk. 2, p. 250.

I the other families in  
Olathe mentioned by the  
law. You saw that  
written in that she wanted  
to connect the assets  
of these people. Not this  
is possible. But the names  
there were of these in  
our family. Not generation  
has had a business,  
David etc. but no more.  
The idea is that you can  
find the records as far  
connected to the way  
before & where they <sup>the</sup> lives

See that Chapman:  
For the Bridge  
mentioned in that letter  
is time. As even as  
George of the 14th. as  
he was in N.C. where  
that even was taken.  
He was a judge of  
the Superior Court in the  
around 1872. & got that  
information from Atlanta  
that records. & so was  
made he was related

will accept the will of  
Robert Bridges' testimony to  
I should be Bridges' word. And  
my friend in Virginia says  
that she thinks the Census  
Board accept everything you  
send in - but a friend here  
thinks it is a question and  
a Davis knows that as  
official proof. So I am  
going to feel satisfied &  
showed like the proof, however,  
that his masterpiece was done.  
You didn't say anything  
about my H. C. guide. But

you think best of Route  
to my good service? And  
I have decided that Cal Jones  
knows more than Bridges' testimony.  
There is no try of as  
that connection now, but set  
some good fair lead you to  
the lead and action  
connection. And there you are  
about my ducks, recovered. We  
of us H. C. ducks, Chuniphees  
ducks, nor the sea of William  
ducks of Halifax is. Do you happen  
to know anything of that family.  
My papers are being waiting to be  
filled out. And I am just waiting for  
a few good news -  
I am waiting to set this in the mail.  
With much affectionately  
Dear P. many
